You previously signed a waiver accepting services and releasing claims against CPS related to any delay or denial of services or supports to your child during the 2016-17 and 2017-18 school years related to IDEA violations identified in the ISBE Public Inquiry Report.

As of January 2022, CPS is offering monetary remedies to families who may have been impacted by these violations. Parents/guardians who previously accepted a remedy provided by an approved vendor but would prefer the monetary remedy are able to switch if they have not used the services yet.

**Put a check** next to the Vendor(s) you are declining. If you are not sure which services you previously accepted, call 773-553-1843 or email [ssca@cps.edu](mailto:ssca@cps.edu) for assistance. Services (hourly or subscription) that have been used CANNOT be refunded.
